TESTIFY

Our goal is simple: find the **best people to test an app** and to give any useful report to the creator.

How it works

1. Create a test profile (age, geographic location, hobbies…)
2. We find similar profiles in our database
3. Launch tests
4. Get feedbacks (bugs, frustrations, user feelings, answers from a form…)

Pricing

Each test (1 person): starts from **11,99$**

The **tester get 70%** of that amount

Testify get **30%**
